OLEKSANDRA MAKARETS

Front-end Developer

I'm an enthusiastic junior JavaScript developer with a passion for web front-end development. I want to share my skills and knowledge about creating interactive and user-friendly web applications. A quick learner, team player and problem solver looking for an opportunity to grow and thrive in a dynamic, collaborative environment.

EXPERIENCE

Sales manager of IT courses

Robot_Dreams, Kyiv, Ukraine

Jan 2021 -
May 2022

Robot Dreams is a Ukrainian school engaged in professional training in the field of IT. My responsibilities included: selling IT courses, implementing sales plans and training new employees.

Every month I sold more than 1 million hryvnias and I have corresponding awards.

Sales manager of software testing courses

Skillup, Kyiv, Ukraine

Mar 2020 -
Jan 2021

Skillup is a school that trains IT specialists.

My main task was to sell the software testing course, check candidates' entrance exams and support students during their studies.

Store Manager

Springfield store, Kyiv, Ukraine

Feb 2017 -
Apr 2020

Springfield is a store of a Spanish clothing brand.

Here I started my career as a sales consultant, then I became a cashier and store manager.

The main responsibilities were the implementation of the store's sales plan, document management, mentoring and evaluation of employees.
